Credit Information

Secondary Requirements for Bilingual Mention

The Saskatchewan Ministry of Education requires a minimum of 24 credits for graduation, at least 5 of which will be 30 level credits. Credit counts begin at the grade 10 level. A minimum of 12 courses must be taken in French for Bilingual Mention and 14 courses must be taken in French to receive Honours standing. All courses offered in French are listed in **bold**.

Compulsory courses at Campbell are:

Grade 10 · Français immersion 10, English Language Arts B10, one 10 level Mathématiques, Sciences humaines 10 and Sciences 10.

Grade 11 · Français immersion 20, Français immersion intégré 20, English 20, one 20 level Mathématiques, one 20 or 30 level Science and one 20 or 30 level Social Science.

Grade 12 · Français immersion 30, Sciences sociales 30 and English A30 or English B30 (both are recommended due to many university admission requirements)

The Saskatchewan Ministry of Education also requires students to acquire:

- at least two (2) credits from the Arts Education / Practical & Applied Arts areas at the 10, 20, or 30 level.
- a Mieux-être or Physical Education credit at the 10, 20, or 30 level is required. Mieux-être 10 is the recommended credit.

Modified: Modified credits are not accepted for university entrance and may limit Saskatchewan Polytechnic entrance. Students may choose to take a modified course and then move back into a regular credit class (ex: Math 11 to Workplace or Foundations Math 10).

AP: Advanced Placement (AP) is an internationally and nationally recognized enrichment opportunity. AP is open to all students and is offered in all Regina Public Schools high schools. Students who enroll in one or more AP courses study Saskatchewan Ministry of Education curriculum supplemented with post-secondary learning outcomes.

Minimum Course Registration in addition to CAP:

Grade 10 - Please select 10 credits

Grade 11 - Please select a minimum of 9 credits

Grade 12 - Please select a minimum of 8 credits

Any class with the letter “L” (a locally developed course) CANNOT be counted as a core requirement for graduation. It can, however, be included in the general credit count.

Elective Course Fees:

Elective classes may have a fee. For information on specific class fees you may contact the office.
