

Saskatchewan Legislative Assembly

MUHAMMAD FIAZ, MLA
Regina-Pasqua Constituency

On behalf of the Premier and my legislative colleagues, I would like to extend my congratulations to the 2018 Graduating Class at Campbell Collegiate.

Graduation is a time to celebrate your achievements, recognizing those who helped you along the way – your parents, family, teachers and friends. With guidance and support, you now move forward with the knowledge and skills needed to meet the challenges of tomorrow.

Your potential is as limitless as the Saskatchewan prairie sky. As you move on to the next stage in your life, I am sure that a successful future awaits. My advice is to search your interests, your strengths and find your passion – find something you truly love and pursue it.

You can be confident that the knowledge and skills you have acquired through your studies will serve you well as you work to further your education and enter your chosen careers.

Best wishes for a bright future.

Sincerely,
