All four teams play in the Regina Intercollegiate Basketball League as organized by the RHSAA

RIBL leagues vary in structure and number of teams in each division

Leagues are often separated into “large” and “small” schools divisions

All of our Campbell teams play in the large schools divisions

Number of games in league play may vary, but usually it’s around 12-16 league games

Each of our teams participate in 3-4 tournaments per year

Campbell Invitational Tournament (CIT)

Annual tournament for Senior Girls hosted by Campbell

One of the largest girls’ tournaments in western Canada

In some years, we often have a Sr Boys tournament at the same time (varies year to year)
