- b) Demonstrated skill and proficiency in a Tartan team/sport, and...
- c) Do not have to win a team award, but it would be a plus, and...
- d) Must maintain an average of at least 70% based on the Campbell honor roll requirements, and...
- e) Must be good role models and citizens within the school and community

### **2. Athletic Proficiency Award. Presented to any grade 10 or 11 students who meet the following criteria:**

- a. Must have participated in at least two teams/sports during the current school year—ideally one being a “major” sport or at least 3+ “minor” activities, and...
- b. Demonstrated skill and proficiency in a Tartan team/sport, and...
- c. Must have been awarded a team award at some point in their Campbell athletic career, and...
- d. Must maintain an average of at least 70% based on the Campbell honor roll requirements, and...
- e. Must be good role models and citizens within the school and community

## Athlete Excellence Rating Scale

### Athletic Skill and Success (50%)

Check one of the boxes below (for each sport student is involved with)

- student is among the top athletes in their age/group in the province
- student is among the top athletes in their age/grade in Regina
- student is well above average in their age/grade
- student is average compared to others in their age/grade
- student is below average for their age/grade

### Breadth of Participation (25%)

Check one or both boxes for participation: in gr 12 year and / or for all high school athletic career at Campbell

- Major team sport/s (football, volleyball, basketball, wrestling)
  - Number of years for each
- Minor team sport/s (soccer, cross country, golf, curling, hockey, track and field and badminton, team handball)
  - Number of years for each

### Character/School Citizenship (25%)

Check boxes for all the following that apply (should be all of them ideally)

- Team Leadership       Positive Team Commitment
- Outstanding marks, attendance, and class participation
- School Citizenship       Positive Attitude and Role Model

## **Team of the Year**

- Each year one team is selected to be recognized as the “Team of the Year”. This is a difficult comparison certainly—as there is a little bit of comparing apples to oranges—but it is worth it to recognize the great achievement of one team above others. Sometimes tough decisions are worth making.

### ***Criteria:***

- Team must have won something ... something truly significant and difficult to win. The more prestigious the better. Could even factor in how long it has been since Campbell has won that in the past (if ever).
- Team should consist of good citizens, good students, and good people. Their own coach should be strenuously advocating for them...if not, then maybe they are not that worthy.
  - Certainly, no discipline problems (on the whole...maybe the odd individual problem can be overlooked, but should be pretty good).
- While it is difficult to weigh the achievements from one sport to another, all deserving candidates nominated will be discussed and voted upon by coaches.
- Non-sanctioned RHSAA sports are eligible to win, but depending on the nominees, said sports may be appreciated differently by the voting coaches.

## Coach / Coaching Staff of the Year Award

Awarded annually to one coach / coaching staff who exemplifies many if not all the following criteria (**as selected by the Athletic Director**):

- Team experienced “success” – does not have to be a championship necessarily, but a successful experience for students with ‘education through sport’ as a key value
- Exemplifies good sportsmanship
- Manages student athletes and promotes personal social growth as well as establishing academic expectations
- Promotes building leadership and citizenship skills
- Exemplifies and promotes our 5 Cs
